Institutional Repository Statement

Open Access Policy

1. Positioning statement

York St John University (YSJU) supports the principle of Open Access (OA) and where possible will follow the 'Green' OA route.

The University requires all staff to deposit all research outputs into the University Institutional Repository in the form of bibliographic metadata and pre or post prints for journal articles, subject to the publisher's copyright permissions. For further guidance on journal copyright visit:

[Sherpa/Romeo provides journal copyright information.](#)

2. Scope

3. Benefits of depositing outputs in a repository

4. Definitions

5. Deposit of research outputs

6. Funded publications

7. Finance

8. Research students

9. Research Excellence Framework (REF)

10. Links to other University policies
